

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1087 - HB 1341

April 10, 2023

SUMMARY OF BILL: Requires a person convicted of the Class A misdemeanor offense of drag racing to serve a minimum of 48 consecutive hours of confinement. Increases the period of time, from one year to two years, that the driver license of a person convicted of drag racing must be revoked.

FISCAL IMPACT:

Other Fiscal Impact – The proposed legislation will require some changes to the DOS's A-List software system to be performed by the relevant vendor. It is assumed that these modifications can be accomplished by the vendor under the current contractual agreement without a need for additional expenditures. However, if the scope of work required by this and other legislation subsequently enacted exhausts the relevant contract provision, the proposed legislation could result in an increase in state expenditures up to \$20,000 in FY23-24.

Assumptions:

- It is assumed that a person convicted of a Class A misdemeanor offense will serve, on average, 15 days incarcerated. Therefore, the requirement that a person convicted of drag racing must serve a minimum of 48 consecutive hours in confinement is not estimated to significantly increase local expenditures related to incarceration.
- Increasing the period by one year that a driver license belonging to such an offender must be revoked is not estimated to significantly impact the total number of license reinstatements or associated fees received by the Department of Safety.
